

Networking Nuggets

*Prepared by Sylvia Henderson, CoFounder & CEO
MindTeam Solutions, Inc. for
Montgomery Women*

1) PREPARE A "TEXT BUSINESS CARD"

- Place your contact information in a text document so all you need to do is copy-&-paste into chat.
- Tip - Frame your card to separate it from others in the chat.

2) BE CURIOUS & MEMORABLE IMMEDIATELY!

- Ask an interesting question. (NOT "So, what do you do?" At least, not right away.)

3) WHEN YOU'RE ASKED WHAT YOU DO, FIRST SHARE AN INTERESTING FACT, ASPECT OF WHAT YOU DO, OR IMPACT YOU MADE RECENTLY AS A RESULT OF WHAT YOU DO.

4) FIND THE "LOOKING AT EYES" POINT ON YOUR COMPUTER. IT MAY NOT BE DIRECTLY INTO YOUR CAMERA OR AT THE SQUARES ON SCREEN.

5) KNOW WHY YOU ARE ATTENDING THE EVENT OR PARTICIPATING IN THE EXPERIENCE. HAVING A CLEAR, PRIMARY PURPOSE HELPS YOU FOCUS YOUR CONVERSATIONS.

=====

Sylvia Henderson can speak to your group about connecting authentically - in organizations, at networking events, and/or online - or work with you individually so you can be your best. Let's have a conversation to see if and how she can help.
